Pampering

We would like to extend our thanks to Kym Upton and her team for the pampering session, so generously given to the precious women and girls within our Foundation. It was very special for the girls and they enjoyed feeling like queens as they experienced both manicures and pedicures. Thanks so much Kym!

Christmas

The Christmas festivities were enjoyed by one and all within our Bali Life Foundation. We enjoyed the many functions we attended which were hosted by some of our supporters, as well as the time spent as a family enjoying the Christmas season together. We would like to extend our thanks to Alila Villas Uluwatu, Karma Kandara, Rotary Club Nusa Dua Bali and the Grand Hyatt and Kampung Kepiting for the functions that we enjoyed. We would also like to thank all those who generously gave gifts and support to help us enjoy the festive season. Merry Christmas to all our supporters and friends!

Street Ministry Christmas

As a part of our Christmas celebrations, the street ministry team and the older children within our home together assembled and distributed Christmas parcels to the women and children that work on the street. This was a special time as we shared the Christmas story and celebrated with these children. We were so proud of the empathy shown by our own children as they shared with the children in worse circumstances than themselves.

New Year

The Bali Life foundation welcomed the New Year in with a bang! The voices soared, many a laugh was had and talents were revealed as we hosted our own Talent Show! We also enjoyed family time reflecting on the year and of course made our own spectacular light show with fireworks to bring in the New Year! It was a lot of fun. Happy New Year everyone!

Women's Home

With great joy we welcomed Ibu Lelyta and her precious children into the Women's Home. After the initial settling in time, Ibu quickly began classes and all sessions that the program offers. The children have enrolled in local schools around our area and the family have become a special part of our Bali Life family. We are excited to announce that Ibu Lelyta has successfully completed Stage 1 of the program and is now moving into the training stage of the program. We would like to thank all our staff, volunteers and supporters for the successful start of our Women's Program and we look forward to helping many more women and children in the future.

Intercontinental Bali Resort, 20 Years Celebration

It was with great pleasure that our staff leadership attended the 20 Years Celebration of the InterContinental Resort, Bali. It was a fabulous night spent with one of our major supporters and included great company, food and dancing. We were blown away with the generosity of the InterContinental Bali Resort and the Media Group and China Sonangol Group for the extremely generous gift of \$40,000 donated to our foundation. A huge Thank You to the InterContinental Bali Resort for your partnership with Bali Life.

Children's Home

New Children

What an exciting time it has been to welcome our two new children, Belinda and Joshua into our Bali Life family. These two children join us from Kalimantan and have quickly been embraced within our family. Welcome Belinda and Joshua!

Donations

We would like to thank all those who have so generously donated money or equipment to our Foundation. Our long-awaited soccer pitch has finally been finished, complete with fresh grass and metal soccer goals. It is already well-loved and is used on a VERY regular basis! We have also purchased some new music equipment, as well as new floor mats, a CD player for the women's program, as well as much more. Thanks so much for all of these generous donations.

Adrienne Stone

It was wonderful to have Adrienne stone within our home last month. We enjoyed having her amongst our home, as well as her English lessons, the way she helped out with administration and always gave a helping hand with the many activities of our home. We hope to see her in Bali again really soon!
