Balilife Foundation / Yayasan Bukit Kehidupan

BUILDING PROJECT PHASE 4

Training & Community Centre

The fourth phase of our building project involves the construction of a Training & Community Centre. This will enable us to open up the training workshops to the local community, offer additional training in micro-finance schemes, host community events, chapel. We also plan to open a playgroup and kindergarden which will serve the community and also further support the foundation in becoming self-sustaining.

Estimated cost - USD$220,000, - This Phase is almost half funded.

Get along to the following event to help raise these much needed funds:
